

## Code of Conduct

The Jamboree is an amazing and unique event. It's not every day that you get to camp alongside hundreds of like-minded people from around the world! Taking note of these points will ensure you and everyone else has a fantastic experience.

Young or old, we all agree to abide by the Promises and Laws we have all made. These should guide your behaviour throughout the event.

### **Show respect**

We are all part of one event, please respect each other's individual contribution.

Show tolerance and understanding of others. Respect different cultural attitudes towards personal conduct. Displays of intimacy in public are discouraged.

### **Be Safe!**

Follow the safety instructions and guidelines. Our safety team is here to help us all enjoy a safe Jamboree!

### **Be Seen!**

Wear your Jamboree wristband at all times unless asked to remove it for safety reasons.

### **But not too visible!**

Wear clothing suitable for the weather and the activities you are taking part in. Dress should be modest and appropriate.

### **Leave no trace!**

Use the recycling bins provided to help keep the site clean and tidy.

### **Shhhhh!**

Please be quiet in all camping areas between 11pm - 6:30am.

### **Fed and watered**

Ensure you get plenty of sleep, food and drink to ensure you are fit and well!

### **We're here for you**

Our welfare team is here to help you and you can share any concerns with them.

### **Please remember**

Alcohol may only be consumed by those aged 18 or over and at appropriate times. Smoking, including e-cigarettes and vapes are only permitted in designated areas and not inside tents.

The possession, personal use or supply of recreational drugs is illegal and as such, a criminal offence.

### **The law**

As well as these helpful tips and rules please remember the law applies to the site. The Jamboree operates a zero-tolerance approach to illegal behaviour. Anyone found to be breaking the law will be removed from site at their own expense and police will be informed.
