

EIJ in a Day

We are really excited to welcome you to EIJ in a Day.

To help with your planning we have put together some notes to help you.

If you still have questions please contact info@ejj.org.uk

Notes for the day:

The car park will be open from 8.30am

You will need to print and display a vehicle permit which can be found here: [Copy of Vehicle ID form - Google Docs \(ejj.org.uk\)](#)

There will be toilets in the car park and around the site.

All visitors will be required to wear a wristband. These will be provided on arrival and will show the telephone number of the leader in charge (from the booking form). This is in case of a lost/missing person or other emergency.

We suggest each person brings a small rucksack to carry their belongings and water bottle. Please come prepared for all weathers. The campsite has very little shelter available.

Due to safety requirements, you will not be allowed to access all parts of the site.

Please remember the site is very large and there will be a lot of walking involved in the day. As a guide it is approximately 15 minutes walk from the car park to the main stage in the centre of the site.

Venues onsite

There are a variety of outlets in our Village for you to enjoy including:

Soft Rock Cafe - for all your milkshakes, smoothies, cocktails and other soft drink needs.

Our milkshakes are legendary at EIJ, especially our Oreo Cookie shake!

Jamart - for all your Jamboree souvenirs, badges, games, glow sticks and clothing, as well as drinks, sweets and gifts. Also a range of camping equipment

Ice cream van

Noa's Food Court - a variety of food vendors including Little Fin Coffee Roastery, The Teapod, Pizza Yule Love & Hot Parrot

Signing in and out of site procedures

You are allowed to arrive on site between 9.00am – 9.30am where you must sign in with our registration team.

You are required to leave the site at 4.30pm, and must sign out with our registration team.
